 **ALCOM** - STRATEGIC INVESTOR

**PREMIUM QUALITY, GLOBAL TRUST**

# About Us

**Najah Enterprises** founded by Mr. Rafique Nadaf is a trusted exporter, trading house, and consultant specializing in the meat and allied industries. Najah Enterprises is a reliable exporter of fresh fruits and vegetables, catering to global markets with high-quality, naturally grown produce. Our expertise in sourcing, packaging, and logistics ensures that our fruits and vegetables retain their freshness, taste, and nutritional value throughout the supply chain worldwide.

By implementing stringent quality control measures, we ensure that every shipment meets international standards, making our produce a trusted choice for supermarkets, wholesalers, and food service industries worldwide.
